

## **General information 2024**

The Hudson Community Education & Recreation (HCER) Senior Men's Golf League is comprised of men age 60 or older on or before May 3, 2024. We play League rounds almost every Friday from May through September at Northeast Ohio courses within an hour's drive of Hudson. The League is a handicapped league. Players agree to follow our "Code of Conduct," and are required to pay into the Prize Fund before the start of the season. Each League round features a variety of games in which the winners earn a share of the Prize Fund. Prizes are paid at our end-of-the-season event. Each player is expected to host at least one round during the season. We also play non-league rounds on many Wednesdays throughout the season, and various days during the fall, winter, and spring as weather permits.

Players are classified as "Regulars," who are eligible to play each League round, or "Alternates," who are eligible to play on a space-available basis. Non-league rounds are first-come, first-served. Players who cannot commit to playing most Friday rounds should participate as Alternates. Generally, there are 32 spaces available for each League round.

For 2024, player registration is April 8-April 19. The first League round is Friday, May 3. Registration is through the League Coordinator only.
